

## ScreenShorts of Angular CRUD

A screenshot of a web browser displaying the login page of an Angular application. The browser's address bar shows the URL `http://localhost:4200/login`. The page has a white background with a light gray border. At the top, the word "Login" is centered in a large, bold, black font. Below it, the text "Please enter email & password" is centered in a smaller, regular black font. The form consists of two input fields: "Email address" and "Password", both with light gray borders. Below the "Password" field is a blue button with the text "Login" in white. At the bottom of the form, there is a blue hyperlink that says "New user".

A screenshot of a web browser displaying the sign-up page of an Angular application. The browser's address bar shows the URL `http://localhost:4200/signup`. The page has a white background with a light gray border. At the top, the words "Sign Up" are centered in a large, bold, black font. Below them, the text "Please enter following details" is centered in a smaller, regular black font. The form consists of four input fields: "Full Name", "Mobile number", "Email address", and "Password", all with light gray borders. Below the "Password" field is a blue button with the text "Sing Up" in white. At the bottom of the form, there is a blue hyperlink that says "Already Registered".
